Safety

Swimming pools provide a conveniently accessible recreation destination just outside your door, allowing you to make the most of your valuable leisure time. When the fun is over, you can rest easy knowing that you've taken the proper steps to provide a superior level of protection for everyone around you. Your cover will free you of the worry of an unsecured swimming pool, so that it can deliver the pure enjoyment you want.

Automatic Pool Covers_{Inc.}

Elegance

We understand that aesthetics are important when designing your swimming pool. We design our products to be as discreet and design-neutral as possible. Our systems integrate with your plans in a way that doesn't detract from your overall waterscape.

Automatic Pool Covers_{Inc.}

Commitment

Just like you, we've put confidence in your contractor. We have partnered together because we share the same philosophy- complete product satisfaction with uncompromising customer service. Because of this relationship, you can be sure that your contractor is fully capable of delivering the benefits we've intended.

Conservation

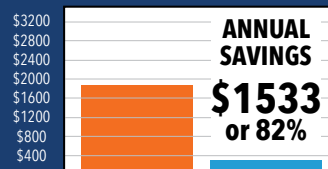

As a pool owner, you assume a fair share of responsibility for the resources it uses. With our cover, you can take pride in knowing that you are preserving resources by eliminating this unnecessary waste. Besides benefiting others with whom you share the natural resources, you'll also benefit directly in the form of reduced operating costs. A cover helps maximize the return on your leisure investment.

Our Material is more than just a Pretty Color.

Automatic Pool Covers extended life premium grade material is the product of decades of research and experience. Reinforced with a strong polyester mesh for strength and tear resistance, this high-quality vinyl-resin formulation provides maximum resistance from weather, ultraviolet rays, mildew, and chemical-extraction. Through repeated testing, we have found that our exclusive fabric formula provides maximum durability in any swimming pool environment and is absolutely the best available.

Our Warranty

Automatic Pool Covers has manufacturer warranties that are second to none in our industry...we're that confident in our product. Our warranties cover the electrical components, mechanical system and vinyl fabric. For detailed information, go to www.APC-Mfg.com and review our exclusive warranty program.

Our Equipment

Everything mechanical in our cover system is engineered to be the best. Our design/engineering team finds the best materials that will hold up to the workout you'll put your pool cover through each and every day. It's the reason we have the ability to offer the industry's best warranty.

Open and close your pool cover using your personalized security code on the PowerTouch™ Security Control Pad.

A water resistant, 3/4 HP electric motor with Seal Technology delivers 1400 lbs of torque to easily open and close your pool cover.

What makes an Automatic Pool Cover work and perform so well?

With over 30 years experience in the industry, Automatic Pool Covers, Inc knows what it takes to provide both the safety you need, and the convenience you want. Our cover system has redefined existing standards of quality and design.

- Premium metal treatments and coatings ensure your system lasts.
- Industrial grade fasteners won't fail.
- Cover fabric construction designed to hold up to heavy duty use.
- A deliberately simple mechanical system that offers less opportunities for failure.
- Electrical components that resist the elements and the harsh environment they operate in.
- A warranty that backs up all of these promises.

"Our Automatic Pool Cover has been wonderful. We were unsure at first whether to invest in an automatic cover, but once we made that decision, we have not regretted it since."
